

Hôpital général juif
Jewish General Hospital
Centre du cancer Segal Cancer Centre

ABOUT THE SEGAL CANCER CENTRE:

The Segal Cancer Centre is a Quebec leader in implementing a focused and comprehensive approach to fighting cancer through medical treatment, patient care, family support and scientific research. A wide array of interrelated services are grouped in close proximity to one another, including screening and prevention, nutrition and rehabilitation, psychosocial support, symptom management, and public information. This integrated approach is considered by leading international medical experts to be one of the most effective and promising strategies in battling cancer.

ABOUT THE JEWISH GENERAL HOSPITAL:

Since 1934, the Jewish General Hospital has been a mainstay of superior medical care for generations of patients of all backgrounds. One of Quebec's largest and busiest acute-care hospitals, the JGH is committed to improving the quality of healthcare for all Quebecers in partnership with the provincial healthcare network. The Jewish General Hospital is committed to providing patients the best possible care in a clean, safe and human-centered environment. The JGH is able to deliver these pioneering, innovative medical services by strengthening its role as a McGill University teaching hospital, by expanding and upgrading its facilities, and by pursuing cutting-edge research at the Lady Davis Institute for Medical Research.
